Exhibitor Guidelines/Herdsman Criteria

It is our expectation that exhibitors will be on their best behavior at all times. Our hope is that common sense will guide exhibitor actions when interacting with others on the fairgrounds. A spirit of good sportsmanship is expected at all times.

All exhibitors are eligible for the Herdsman Award. The Barn Chairman will determine if and who awards will be awarded to. Exhibitors must display a positive attitude towards all aspects of the livestock program. Our goal is to have exhibitors who are helpful, polite, respectful, considerate, and patient. In selecting recipients of the Herdsman Award, we will be looking for exhibitors who acknowledge and follow the rules outlined in this booklet, adhere to the Code of Show Ring Ethics, as well as fulfill the requirements of their project responsibly, while being aware of other exhibitors and their needs.

The Herdsman competition will be awarded at the discretion of the committee.

1. Admission: All exhibitors will be issued a name badge for daily admission to the fairgrounds. The badge must be worn at all times. Full entry price will be charged at the gate if badge is not displayed. Replacement badges will be $5.00.

2. Fairgrounds will be closed to exhibitors between the hours of 8:30 AM and 3:30 PM daily, except on the day of the exhibitor's show or sale (when the exhibitor may enter the fairgrounds anytime after 2:00 pm)

3. Obey all reasonable requests from adults.

4. Be respectful and considerate of everyone in the barns and on the fairgrounds.

5. Exhibitors are not allowed on the railroad tracks. The consequence for being on the tracks will be disqualification of the exhibitor and his/her animal from the fair. Such exhibitor will be sent home immediately.

6. Exhibitors are responsible for providing their own equipment, feed, hay, etc. All equipment should be clearly marked with the exhibitor's name. Exhibitors take total responsibility for their own property. Ask before you borrow someone else's property and return it promptly! Supplies and equipment should be properly put away so that they do not create a hazard or an inconvenience to other exhibitors and/or fairgoers. All equipment should be kept out of aisles.

7. Each exhibitor is responsible for clean-ups daily. Cattle & horses must be cared for twice daily; hogs, goats, and small animals, once daily. Clean-ups should be done by the exhibitor. Exhibitors are encouraged to help younger exhibitors!
   - All animals should be cleaned and groomed daily, but washed only as necessary; exercise animals daily.
   - Feed & water equipment should be kept clean. Feed pans and water buckets may be left in cattle stalls.
   - Stalls/cages/pens must be cleaned daily, as well as wash areas and general vicinity of the exhibitor's barn.
   - It is the exhibitor's responsibility to empty wheelbarrows, remove trash, etc. and dispose of it properly and in the correct place. If you don't know the correct place, ask your barn chairman. Help each other - don't leave this unpleasant task for some other exhibitor to do alone.

8. If you are unable to attend a daily clean-up, you need to let your barn chairman know beforehand, and you will need to make arrangements for someone to care for your animal during your absence.

9. Clean-up Schedule: Arrive on time and have your areas cleaned on time!
   - Hog Barn 3:30 – 5:30 PM
   - Cattle/Horse Barns 6:30 – 8:30 AM
     3:30 – 5:30 PM
   - Goats 6:30 – 8:30 AM
